

FOR IMMEDIATE RELEASE:

**Renaissance Las Vegas to Exhibit An Extravagant Railroad Display for
the Holidays – Unveiling and Kickoff Party is November 22**

Visitors and Business Will Have Opportunity to Sponsor

Individual Train Cars

LAS VEGAS (November 21, 2005) – Tom Xavier, general manager of Renaissance Las Vegas is pleased to announce that the hotel will display a 200 square-foot, elaborate and extravagant MTH electric railroad in the lobby of the hotel, just in time for the holidays. The train will be unveiled on **November 22 at 4 p.m., with a kickoff party to benefit the Las Vegas Boys & Girls Club.**

“We are thrilled to exhibit this extravagant and detailed display that will amaze children and parents alike,” said Xavier. “Not only is this something that guests and visitors to the hotel will be able to enjoy, but we will also have the opportunity to provide a significant contribution to our community.”

The kick-off party will include holiday refreshments provided by Richard Chamberlain and his team at Envy the Steakhouse. Xavier will be on hand to ‘flip the switch,’ along with community leaders and notables, children from the Boys and Girls Club of Las Vegas, Renaissance Las Vegas staff and representatives from the Boys and Girls Club of Las Vegas.

In addition, visitors and business are invited to sponsor the individual train cars for \$1500. Sponsor names will be featured on the sponsor board adjacent to the train; the sponsorship will benefit the Boys & Girls Club of Las Vegas.

The train display features five tracks on multiple levels that guide the trains through life-like snow covered mountains, in and out of tunnels, across bridges, into the countryside and through a small village – all within the confines of the Renaissance Las Vegas.

Visitors to the hotel will see steam locomotives; diesel engines, passenger and freight cars come alive in stunning detail. Each locomotive is equipped with digital sound, operating lights and sophisticated electronics that start and stop the trains automatically. Visitors will discover life-like scenery, including buildings, people, streetlights, trees and bushes as they explore the railroad.

Finally, Renaissance Las Vegas will be raffling off one MTH electronic train set on December 23rd. Raffle tickets are available November 22 – December 22 at the Renaissance Las Vegas for \$20. Proceeds will benefit the Boys and Girls Club Las Vegas.
